

Video Production Week 2 Exercises

Take a 5 to 10 second shot of each item on the shot list below.

1. A wide shot of a subject
2. A close up shot of a subject
3. A two shot of two subjects framed medium
4. A POV shot through the eyes of a subject peeking around a corner
5. Low angle medium shot of a subject
6. High angle medium shot of a seated subject
7. An oblique/dutch angle two shot of two subjects
8. Pan right on subject 1 walking up to subject 2. Becomes a medium two shot.
9. Insert of a subject's hands dialing on a cell phone. Tilt up to a close-up of face.

10. Hand-held tracking medium shot following subject from behind down a hall. As the subject walks up to a door, push in to an insert of the hand turning the handle.

11-13. Shoot a conversation between two people using three shots: a wide shot, and two over-the-shoulder shots of any framing, that obeys the 180 degree rule. (Should cut together).
